

Poker Calculator Pro: Win More Hands!

Poker Pro Labs, the creators of such unique online poker tools as Tournament Shark and Smart Buddy, announce the release of a new version of their innovative product Poker Calculator Pro. This product is an online poker calculator that offers information and advice to help you be more successful at the poker tables.

“We are providing online poker players with exceptional tools to be successful whether they play professionally or not”, said Gary Raikhman, of Poker Pro Labs. “We want everyone who is interested in becoming a better poker player utilizing the information we offer to reach their highest potential”.

Poker Calculator Pro offers real-time recommendations, advising you on what actions to take throughout the hand, and also statistics such as pot odds, chance of winning and number of outs to improve your hand.

Poker Calculator Pro retails for \$49.99, and is a must have for anyone serious about winning at poker. For more information on this product, please go to http://www.pokerprolabs.com/poker_calculator_pro/, and experience the difference for yourself.
