

Poker Pro Labs Becomes Bluff Magazine's Official Online Poker Calculator Provider

Poker Pro Labs, Inc. becomes Bluff Magazine's official poker calculator provider. The poker odds calculator is free to use and can be found on Bluff Magazine's website. Unlike most poker calculators, the Poker Pro web based calculator lets you determine the percentage and odds of winning without knowing your opponents' hands.

San Francisco, CA (PRWeb) December 6, 2006 -- [Poker Pro Labs](#), a leader in online poker calculator and tracking technology, has become [Bluff Magazine's](#) official poker calculator provider. The web based calculator gives players the odds of winning a particular hand in various situations. Unlike most poker calculators, this calculator allows you to determine the percentage and odds of winning without knowing your opponents' hands.

"We are very excited about being selected by Bluff Magazine as its official online poker calculator. The Poker Odds calculator has an easy to use drag and drop interface and the ability to determine odds of winning for both known and unknown opponents' hands. These features make it one of the best calculators available today and a great addition to Bluff Magazine's website." says Alex Iosilevsky, CEO of Poker Pro Labs.

The poker odds calculator can be found by going to Bluff Magazine's website and clicking on the Odds Calculator tab.

Poker Pro Labs has other [online poker odds calculators](#) available on its website that automatically capture cards in real-time as you play at online poker rooms such as Party Poker (PRTY), Pacific Poker (888), Poker Stars and others.
